SYNOPSIS:		7. PARTICIPATING OFFICIALS S/A John W. West

On August 18, 1983 at 10:15 a.m., Wendell Sterry, Safety Director for Aladdin Industries, Inc., 603 Murfresboro Road, Nashville, Tennessee, telephone number (615) 748-3000, related that Aladdin did business with John P. Saad and Son, Inc. during the 1970's to dispose of waste oils and chemicals. The Saad firm was paid by Aladdin for their services. Mr. Sterry related that all company records for periods from 1978 and earlier years were destroyed. A review of company records for 1979 indicated that Aladdin was billed on 3/20, 3/27, 4/24, 6/18, 8/17, 10/16, and 10/19/79 by the Saad firm for pick up and disposal of 60 drums of cutting oil and 126 drums of solvents at a total cost of \$2,490.00. Payment for the Saad invoices was via checks which were then mailed to John P. Saad and Son, Inc., 3655 Trousdale Avenue, Nashville, Tennessee.

Mr. Sterry explained the billing system as such: Saad picked up 19 drums of chemical waste on 10/11/79, ticket #3161 and an invoice dated 10/16/79 was mailed to Aladdin. Aladdin in turn issued a check for \$285.00 to Saad on 11/5/79. This check was placed in the U. S. mail for delivery.

Mr. Sterry stated Aladdin stopped doing business with Saad after learning that Saad should have been paying Aladdin for the waste oil. Mr. Sterry related that in 1979, his firm produced the following types of waste: used acetone, methyl ethyl ketone, polyurethane waste components and used lacquer thinners. Mr. Sterry stated upon proper subpoena, he would provide the above named company records.
